The prices listed are final. Institutes of the Czech Academy of Sciences are charged 50% of the standard price.

The rental price includes:

- Use of the lecture hall for the booked period.
- Use of the hall's available technical equipment (e.g. projector, microphones, board, flip chart).
- Setup of the requested equipment before the event begins.

No additional fee is charged for the use of technical equipment.

The customer must specify the required equipment in the booking so that it can be prepared for the event.

Payment for the rental is made on the basis of an advance invoice.
